Church, Community and Change

As part of the 'listening process' to help us engage with the community, the CCC Committee is going to conduct a survey in the area local to the church. We need your help to deliver the surveys to the designated addresses and then to collect them the following week. The timetable will be as follows:

Sunday 25th September - Packs containing the survey and an accompanying letter will be available for collection in the Hub after the morning service. All the necessary information will be included in the pack.

26th and 27th September - Distribution of the Survey *by Tuesday 27 September at the latest if possible*

Sunday 2nd October - Short briefing for collectors in the Session Room after the morning service - grab a cup of coffee and come upstairs to join us!

Monday 3rd October - Collection of Surveys - in groups of two and, again, with all the information you will need provided.

We really need feet on the ground and would very much appreciate your help. Any questions please contact Susan on 07971 902518 or Helen on 07979 861255
